# ADVANCE ISO+ PLUS

**24G Protein**

Helps promote muscle growth & maintain new muscles

**5.75G Bcaa**

Reduce fatigue & repair muscles

**4.65G Glutamic acid**

Improve immune function & decrease muscle soreness

**EMBRACED BY OUR TEAM, THE METICULOUSLY CRAFTED FORMULATION IS  
TAILORED SPECIFICALLY FOR YOUR NEEDS.**

Sourced from the finest, sustainably-grown ingredients, our powders are free from artificial additives, ensuring you to receive nature's purest form of protein nutrition. Trust in the expertise of our team and experience the transformative power of protein the way it is meant to be.

# PREMIUM GOLD WHEY ISOLATE

**25G Protein**  
Helps strengthening & increasing muscles

**5.05G Bcaa**  
Decrease muscle soreness & prevent muscle wasting

**4.60G Glutamic acid**  
Supporting immune system cell & muscle Healing

**EMBRACED BY OUR TEAM, THE METICULOUSLY CRAFTED FORMULATION IS TAILORED SPECIFICALLY FOR YOUR NEEDS.**

Sourced from the finest, sustainably-grown ingredients, our powders are free from artificial additives, ensuring you to receive nature's purest form of protein nutrition. Trust in the expertise of our team and experience the transformative power of protein the way it is meant to be.

# EAA+ BCAA

8.0G  
Eaa

Intra workout supplement  
that enhances your muscle  
recovery & energy.

5.0G  
Bcaa

Keep the body in an anabolic state  
to increase muscle protein synthesis  
and enhance muscle recovery.

500MG  
L-Arginine

Smooth muscle relaxation in the blood  
vessel wall, and thus may lead to muscle  
relaxation and faster recovery of muscles  
after exercise.

**EMBRACED BY OUR TEAM, THE METICULOUSLY CRAFTED FORMULATION IS  
TAILORED SPECIFICALLY FOR YOUR NEEDS.**

Unlock your body's ultimate capabilities with the power of BCAAs, igniting your health and performance to achieve unparalleled results and unleash your true potential. It covers the full spectrum of amino acids providing all 9 (Nine) Essential Amino Acids.

# EAA+ BCAA

**3.0G**  
Creatine

Triggers instant energy release  
to keep you vitalized during high-  
impact workout sessions.

**200 MESH**  
Filtered

200 mesh grade is ideal for consumption  
as it can be dissolved and absorbed  
faster

**PURITY**  
Tested

No Artificial Colour, No fillers, No Added  
Sugar and No Banned Substances. Gluten  
Free, Dairy Free, Steroid Free, Tested for  
purity.

**EMBRACED BY OUR TEAM, THE METICULOUSLY CRAFTED FORMULATION IS  
TAILORED SPECIFICALLY FOR YOUR NEEDS.**

Creatine Monohydrate contains 3g of fast absorbing. Creatine Serves as an energy source for the muscle cells by promoting greater ATP production. Helps increase strength and reduce fatigue, allowing you to lift heavier, run further faster & improve overall physical performance.

# HEAD SHOT

## PRE-WORKOUT

**3.7G**  
Beta-Alanine

Beta-alanine aids in the production of carnosine. That's a compound that plays a role in muscle endurance in high-intensity exercise.

**1G**  
L-Citrulline DL-Malate

Citrulline malate is the combination of L-Citrulline with malic acid, which is believed to increase absorption rates, enhancing performance and skeletal muscle regulation.

**3.7G**  
L-Arginine

L-arginine have a positive effect on aerobic and anaerobic exercise performance.

**EMBRACED BY OUR TEAM, THE METICULOUSLY CRAFTED FORMULATION IS TAILORED SPECIFICALLY FOR YOUR NEEDS.**

Ignite your inner fire with our pre-workout, let sweat be your fuel and conquer every rep like it's your victory lap. Pre-Workout provides you the support required to increase strength and muscles pumps allowing you to lift heavier, run further faster and surpass your regular physical performance
